ABOUT THIS RESEARCH PAPER

The contents of all these studies and deliverables constitute the sole and exclusive property of Ipsos Reid Corporation and Investor Economics.

The contents of the study may be used only for the internal business purposes of the subscriber, its officers and employees.

ABOUT INVESTOR ECONOMICS

Investor Economics produces integrated, fact-based analysis and informed opinions on key issues for the financial services industry.

Investor Economics' data comes from many sources, although its core advantage remains the firm's exclusive access to data from its clients.

ABOUT IPSOS REID

Ipsos Reid is a leader in public opinion and market research. With operations in eight Canadian cities, Ipsos Reid employs more than 300 research professionals and support staff in this country.

Ipsos Reid's research service, the Canadian Financial Monitor (CFM), is a consumer research survey launched in 1999 to monitor the banking and investing habits, product holdings, and financial health of Canadians.
